Memorandum for

The Director-General,
Department of Agriculture,
WELLINGTON.

Honey from Australia.

Adverting to my memorandum No. C.30/25/2 of 22nd October last (your file No. Ag.54/3/10) I have to inform you that a shipment of 4524 lb. of Australian honey was imported at Auckland by Messrs. New Zealand Milk Products Ltd. ex "Aorangi" which arrived on 30th November last.

The honey is to be used by the importers in the manufacture of confectionery.

I shall be glad if you will advise me whether it is desired that information respecting all shipments of honey imported should be forwarded to your office in future.
